The by-laws were approved with no changes for the 2010-2011 year to end July 6, 2011. Membership will remain \$12 which will then include admission to the banquet. It was decided that the new board will be selected/elected at the next meeting.

Upcoming events were given to include the car wash on June 19th at the Miller Mart. Supplies are not needed as they are stored from last year. Drinking water for participants will be provided.

Expenditures for the season were discussed. After a discussion by both voting and nonvoting members, voting members approved the \$1,200 for the spirit packs (shorts and t-shirts) for the team ordered by Coach Byron. Up to \$350 was approved for the picnic. \$100 was approved to buy popsicles for after practices for the two weeks of 4-8 p.m. practices (see below).

Shelters for the team cook out have been reserved for July 31 at Newport News Park. Kathy said she would send out flyers after getting players' addresses from Coach Byron.

Kathy stated that there would not be two-a-days this year as practice will be held from 4 p.m.-8 p.m. Coach Byron did ask if the PSG could provide something for after practice such as popsicles. It was discussed also to perhaps ask parents to donate oranges for the water breaks.

Coach Byron also asked if the PSG could provide food for the team to take to the scrimmage games. It was noted that the varsity and J.V. scrimmages were on different days. This has yet to be budgeted.

Committee members for homecoming, banquet, spirit items are needed.

Terry presented information about Brax Spirit Cups as a possible fund raiser. She and J.J. will spearhead this activity.

Next meeting was scheduled for July 6, 2010 at Menchville Baptist Church.
